

FOR IMMEDIATE RELEASE

## Ethos3 Strengthens Commitment to Diversity, Equity, and Inclusion

Nashville, TN  
March 16, 2023

Ethos3, the renowned presentation content and design agency, is proud to announce an expanded focus on Diversity, Equity, and Inclusion (DEI) as a fundamental part of its organizational culture. With a renewed dedication to fostering a sense of belonging for all, Ethos3 aims to create an inclusive work environment that celebrates diverse perspectives, fosters innovation, and drives transformative change.

"At Ethos3, we believe everyone should feel like they belong," stated Scott Schwertly, Founder & CEO of Ethos3. "Inclusion is not an option; it is a necessity for any company's ability to survive and, more importantly, thrive. We are committed to upholding these principles in everything we do."

Ethos3 recognizes that diverse perspectives are essential to drive innovation and growth. By embracing differing opinions and thoughts, the company creates a fertile ground for creativity and development. The ethos of Ethos3 emphasizes the importance of listening over talking, encouraging courageous conversations and approaching every situation with an open and active ear and heart.

Consistency and fairness are paramount in Ethos3's approach to fostering an inclusive environment. The company strives for fairness in all interactions, both among team members and with clients. Ethos3 believes in lifting each other up and acknowledges that it is everyone's responsibility to support marginalized and oppressed communities while providing a voice to those who may not possess one.

"Inclusion is always the goal," continued Schwertly. "Ethos3 does not tolerate any form of discrimination or bigotry, including sexism, racism, homophobia, transphobia, ableism, ageism, religious discrimination, and any other form of bias. We are dedicated to cultivating a work environment where everyone feels valued, respected, and included."

Ethos3's commitment to DEI extends beyond its internal operations. The company is actively working to build a culture of belonging by strengthening onboarding programs, enhancing hiring processes, and empowering Employee Resource Groups (ERGs). By engaging diverse perspectives in every project, Ethos3 aims to foster deeper innovation, leading to increased profitability and productivity.

Furthermore, Ethos3 is proud to announce its partnership with local and regional organizations to support underserved communities.

"We believe that building a better tomorrow starts with creating positive change today," added Schwerty. "By partnering with local and regional organizations, we aim to make a meaningful impact in underserved communities and drive a more inclusive society."

Ethos3 invites individuals and organizations who share its commitment to DEI to connect and join their mission of building a better future.
